World's largest ever streetlight replacement programme completed

The South Delhi Municipal Corporation (SDMC) on Wednesday claimed to have completed one of the world's largest ever LED replacement programme in a short span.

The Corporation said that it was hell bent to achieve the target of more than 50 per cent savings in expenditure on street lighting by the local bodies as mandated under the Street Lighting National Programme launched by the Centre.

According to the report, a tripartite agreement was signed between the South Corporation, BSES and EESL (Energy Efficient Services Ltd) in January last year for replacement of 1.98 lakh conventional streetlights with energy efficient LED streetlights. Further, the SDMC is saving an amount of Rs 1.36 crore per month on maintenance of the LED lights as the present maintenance at one point has come down from Rs 96 to Rs 28.

The figure will be Rs 16.32 crore per annum and Rs 114.24 crore over the contract period. **Millennium post**
