Notes:

1. The above results have been reviewed by Audit Committee and approved by the Board of Directors in its meeting held on 21st May, 2021. The Statutory Auditors have conducted the audit of the Financial Statements and have expressed an un-qualified audit opinion.
2. As per requirement of Ind AS 33, the basic and diluted earnings per share for all the periods presented have been computed on 60,92,94,348 equity shares of ₹ 5/- each.
3. The outbreak of Coronavirus(COVID-19) globally and in India has impacted businesses and economic activities in general. The spread of COVID-19, along with nationwide lockdown starting from 25th March 2020, has caused serious threat to human lives and resulted in reduction in global demand and disruption in supply chain, which have forced the businesses to restrict or close the operations in short term. During the lockdown period, as the company's business is to provide logistics services, its operation continued mainly under the "Essential Services". The revenue of the Company and other consequential expenses during the period ended March 2021 decreased due to nationwide lockdown for COVID-19 and therefore not comparable with those for corresponding previous periods.

As regards, the recoverability of assets and financial resources, performance of contractual liability & obligations, ability to service the liabilities, the Company expects to fully recover the carrying amounts of the assets and comfortably discharge its obligations. The Company is positive on the long-term business outlook as well as its financial position. However, the Company is closely monitoring any material changes to future economic conditions.
4. Till the financial year 2019-20, CONCOR has been paying Land License Fee (LLF) to the Railways on the railway land leased to it on the basis of number of Twenty Foot equivalent units (TEUs) handled. Ministry of Railways, Government of India vide its order no.2015/LML-II/13/4 dated 19.03.2020, had communicated that the LLF applicable on the Railway land leased to CONCOR shall now be charged w.e.f. 01.04.2020 as per extant policy of Railways i.e. @6% of the value of land, which will be further increased 7% annually.

Accordingly, as per the company assessment, an amount of ₹ 517.39 crore has been paid as Land License fee to Indian Railways in current financial year as per extant policy of Railways.
5. In the previous years, the Company was providing liability for Post Retirement Medical Benefits for retired employees. However, during the current year actuarial valuation has got done for the expected liability for all employees of the Company, as all employees after superannuation or separation after rendering services for continued period of 20 years are entitled for such benefits.

Due to this, during the current year, an amount of ₹ 72.84 crores has been provided, out of which ₹ 67.33 crores has been charged to Statement of Profit & Loss and ₹ 5.51 crores has been included in Other Comprehensive Income.
6. Figures for the quarter ended 31st March, 2021 & quarter ended 31st March, 2020 are the balancing figures between the audited year to date figures for twelve months ended 31st March and the unaudited published figures for the nine months ended 31st December of the respective financial years.
7. The Board of Directors has proposed final Dividend of ₹ 2 Per equity share (face value of ₹ 5 per equity share) amounting to ₹ 121.86 Crore.
8. The Audited Accounts are subject to review by the Comptroller and Auditor General of India under section 143 (6) of the Companies Act, 2013.
9. Figures for the previous quarter/ period have been regrouped/reclassified, wherever considered necessary.

For & on behalf of the Board of Directors

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

CONTAINER CORPORATION OF INDIA LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of **CONTAINER CORPORATION OF INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity, Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw the attention to:

- a) Refer Note 39 and 51, which describe payment of Land Licence Fee to Indian Railways for land leased to it on the basis of company's assessment and is not final. In view of the uncertainty of the lease terms, no Right of Use (ROU) has been assessed as required under Ind AS 116.
- b) Balances of Sundry Debtors, Sundry Creditors and Advance to Other Parties including Railways are subject to confirmation and reconciliation, as referred to note no. 60(a). These balances include outstanding for more than 3 years. The effect of the same is not ascertainable.

Our conclusion is not modified in respect of these matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financials statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our audit report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Director's Report including annexure to Director's Report, Business Responsibility Report, Corporate Governance, Ten years Financial/physical performance and data and letter from CMD included in the annual report of the company, but does not include the standalone financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual report, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as per applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate Internal Financial Control System in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. - Identity and assess the risks of material misstatement of the Consolidated financial statement whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions. Misrepresentations or the override of internal control.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. For the other entities included in the consolidated financial statements which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. In conjunction with our audit of the consolidated financial statements as of and for the year ended 31 March 2021, we have audited the internal financial control over financial reporting of CONTAINER CORPORATION OF INDIA LIMITED ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities which are companies incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors/Management of the Holding Company, its subsidiary companies, its associates and jointly controlled entities which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group and its associates and jointly controlled entities, based on our audit we conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting of the Group and its associates and jointly controlled entities.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the independent Auditor's Report of Concor Air Limited, a wholly owned subsidiary of the holding company, following material weaknesses have been identified in by the auditor:-

Whereas the company has developed some internal financial control over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2021, there is an urgent need for development of a comprehensive Internal Financial Control Manual based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India and devising of process for periodic verification of the various modules of the referred manual. The above inference is drawn based on the following weaknesses observed: -

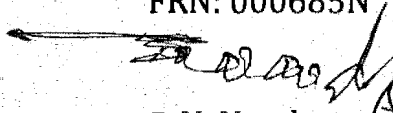

- a. The company is running standalone IT system for revenue accounting and for accounting of receivables etc. which is not integrated with the financial package tally. The company needs to integrate the two and incorporate internal control and audit system to verify the correctness of data.
- b. System of obtaining debtors and creditors confirmation needs strengthening.
- c. System of reconciling the input taxes with GST returns and information available on the portal needs strengthening.
- d. System of accounting and reconciliation of TDS credits and certificates with advances received against the revenue needs a lot of strengthening and regular follow-ups.

Except to the matters mentioned above in respect of Concor Air Limited, wholly owned subsidiary company of the holding company, in our opinion and to the best of our information and according to the explanations given to us, the Holding Company, its other subsidiary companies, its associates and jointly controlled entities which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Our aforesaid reports under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to four (4) subsidiaries and One (1) Jointly Controlled entity audited by other auditors, is based on the corresponding reports of the auditors of such companies and one (1) subsidiary and eleven (11) jointly controlled entities, is based on the certification provided by the management. Our opinion is not modified in respect of this matter.
