

Bulk Loading of Cement

"First Rake movement of Bulk cement has been carried out in Specialized Tank Containers from cement siding of M/s Bharathi Cement i.e., MBCY (Yerraguntla, Andhra Pradesh) to ICD/ Irugur on 22/04/2022

CONCOR's another customer value creation in its journey of logistics solution is a novel & unique Initiative in association of Indian Railway & M/s Bharathi Cement (Vicat Group, a French Multinational with 8MTPA capacity in India) is likely to be game changer in the transportation of Bulk Cement in Cement Industry and this Step of CONCOR in a first -of -its kind initiative, will give new dimension to the bulk transportation and the method of bagging of cement for Cement Industry and its Customer towards less Logistics expenses, hence Higher Profit."
